***Merry Christmas and Happy New Year from all of us
at Country Treasures***

Happy Holidays!

After finishing up our foliage season, autumn classes, and a quilt retreat we are ready for *a long winter's nap*. NO WAY. We have lots of new fabric and notions coming in every week. We just received a new shipment of tone on tone whites and off whites, Moda's Birch Bark Lodge and Cattails and Clover. Timeless Treasure's Ice, a great fabric for making those snowflakes we can't keep in stock. We are waiting for Enchanted Rhapsody from Northcott, Royal Peacocks and Royal Gardens from Hoffman, Subtle Song from Wilmington, Winter Palaces from Maywood, and Red-work, Breeze and Tropicana from Moda. And that is just what is due here in December! We also have three Block of the Month's coming from Marcus: Vintage Rouge, Centennial Solids and Civil War Journal. *We will have pictures of the Blocks of The Month on our website.*

We have put together some great classes to keep those Winter Blues away and hope you will join us for some fun and creativity.

We are all looking forward to 2012! We survived bridges being closed, an earthquake and Hurricane Irene. Hope Mother Nature will be kind to us in 2012!

NEWS FLASH
